

FOR IMMEDIATE RELEASE

Sof'Fall® Incorporated Changes Name to Sof'Solutions™, Incorporated.
Company Includes Additional Safety Surfacing Products to Compliment Product Line

Draper, Utah, July 18, 2005--- Sof'Fall® Incorporated has changed its company name to Sof'Solutions™ Incorporated, effective immediately. The company will continue its commitment to providing safe and innovative surfacing products for playgrounds through the current representatives across the United States, Canada and Mexico.

Sof'Fall® Incorporated is changing its name to better reflect the company's growing portfolio of solutions that meet the needs of the safety surfacing industry by amending the Articles of Incorporation. Sof'Fall® Incorporated did not dissolve the corporation or change ownership. All current operations and business relationships will continue under the new name, Sof'Solutions™, Inc.

Sof'Solutions™, Inc. is committed to providing the same great service, great products; current and new, and the highest level of customer satisfaction in the industry.

Sof'Solutions™ will continue to sell Sof'Fall® engineered wood fiber along with Sof'Bounce™ and PlayMatta playground surfacings.

Sof'Solutions™, Inc corporate office will remain at the current address; 14901 Heritage Crest Way, Bluffsdale, UT all telephone and fax numbers will continue without change. The former website; www.sof-fall.com will function until further notice. All Sof'Solutions™ employees (the same great people you have worked with at Sof'Fall® Incorporated) can be reached by email at their current email address.

INFORMATION ON SOF'SOLUTIONS™, INC.

Sof'Solutions™, Inc. (formerly Sof'Fall® Incorporated) is a company committed to the safety of children and the good of our environment. Sof'Solutions™, Inc. sells and distributes its flagship product, Sof'Fall®-- a natural, virgin engineered wood fiber that exceeds standards for protection from playground injuries. Sof'Solutions™, Inc. is IPEMA certified. In addition, Sof'Solutions™, Inc. is the United States/Canada distributor for PlayMatta, two-layer safety surfacing. This unique two-layer system is comprised of a rubber shock pad and gets its unmatched durability from the virgin PVC top mat. In July of 2005 Sof'Solutions™ will introduce Sof'Bounce™, resilient rubber mulch manufactured from rubber tires that provides a low cost protective safety surfacing with a critical fall height of 13'. Sof'Solutions™, Inc. President Elouise Bird is a committee member of ASTM and is active in the continued progress of standards and guidelines. Sof'Solutions™, Inc. is a certified Woman owned Business and currently employs twelve (12) employees in Bluffdale, UT.
