Get Kids Moving with BCI Burke's Intensity™

Ready to turn it up a notch for your kids? Burke's all-new Intensity fitness play complex is designed to challenge and exercise young bodies while providing so much fun kids won't want to go home. Intensity was designed to meet the requirements for children ages 5 – 12. It appeals to children with a focus on basic physical skills, coordination, strength, balance and endurance.

Intensity offers a variety of fitness play events that not only keep kids moving and excited but also are very modern, and streamlined. This month's focus is spinning events, which include the Extreme Cyclone, KidForce Spinner, Swift Twist and Zippy Whirl.

Burke has the longest and strongest warranty in the industry. For more information about Intensity, please visit getintensity.com or contact your knowledgeable Burke representative at 800-266-1250.
