Balco, Inc. celebrates 50th Anniversary

Balco, Inc., a Kansas corporation founded in 1957 and incorporated in 1960, is celebrating their 50th Anniversary. Balco is a leading manufacturer of architectural building products for the commercial construction industry with worldwide distribution.

Balco is a recognized leader in the industry, and has built this reputation by providing quality products and reliable service and support. Balco offers the largest selection of expansion joint cover systems along with fire barrier products. Other Balco products include trench and access covers, grates and frames, stair nosings, photoluminescent egress systems, floor mats and grids and wall protection.

The company, a certified ISO 9001-2000 manufacturer, has manufacturing facilities in Wichita, Kansas and Oklahoma City, Oklahoma.

Balco is a portfolio company of Capital Southwest Corporation, a publicly-owned investment company based in Dallas, Texas.
